Volunteering

Better-a-Child Writing Competition Essay Reviewer

Topic: The Curative Power of Reading

Better-a-Child Project, Nigeria

February, 2016

The Better-a-Child Writing Competition is basically aimed at maximizing and harnessing potentials of young people. Through the competition, we intend to discover potentials, promote reading culture, encourage creativity, originality and good reading habits, as well as the development of ICT (information and communication technologies) skills among young people. The maiden edition of the Writing Competition is designed ONLY for Nigerian secondary school students, to improve their understanding of essay writing, reading culture, and the application of ICT to writing and reading.

Projects

1. **A Common Language in School** - a European project within the frame of Erasmus+ Strategic Partnerships (2018-2021); provides concrete tools for professionals who work with pupils with developmental difficulties in schools (representative of a project partner)
